the position of*

Full-Time Early Interventionist (30 hours a week)

kcs Association is looking for an Early Interventionist, who is able to work between the hours of 8:00 a.m. and 4:30 p.m. Monday to Friday. **Experience with children with ASD an asset.** Responsibilities of the Early Interventionist will include (but not be limited to):

- To support other team members in the classrooms
- To help 1-2 children pursue developmental goals
- Foster child's independence within a safe learning environment
- Work collaboratively with the learning team (Educators, Early Interventionists, IPP Coordinator, Program Director)
- Provide personal care assistance if needed (feeding, toileting, etc.)
- Utilize consistent positive reinforcement, redirection, modeling and cueing, to help the child learn appropriate social interactions
- Maintain required documentation of child's progress (monthly reports, year-end summaries etc.)
- Assist with classroom activities and duties if the child is functioning with immediate supports (e.g. engaged with other children and staff)

Qualifications:

- Early Childhood Certificate or equivalent, minimum Level 1
- Experience working with children, experience with developmental delays considered an asset
- Good communication skills
- Ability to work both independently and as part of a team
- Must be 18 years of age
- Criminal Record/Vulnerable Sector Check
- Child Intervention Check
- First Aid/CPR

Required training (e.g. First Aid) can be taken upon successful hire.

Please forward resume, including references to:
